Dance Instructions

Days 2, 3 & 4 - Your Jamaican adventure begins. From Montego Bay we're off to Negril... Seven miles of white sand beach will call and your response will be languorous moments of pure pleasure; all day just soak it up! Walk the beach, visit the cliffs, rock dive, scuba dive, wind surf, parasail or do nothing at all and relax in a hammock at Rondel Village - our Negril home and launching pad to the perfect Jamaican nights.

Cliff Diving

Pelican Bar

Days 5 & 6 – St. Elizabeth is our next destination. St. Bess, as called by natives, is a bountiful parish. Experience the Black River Safari and see the cascading waterfalls as nature boasts at YS falls. See sugar cane become magically transformed into a one of a kind Jamaican rum at Appleton Estates. Or we'll head over to the Pelican Bar, Floyd's quaint island-in-the-sea lounge. As our days turn to evenings we'll take up our lodgings at Jakes' Village, the quaintest spot on earth. Other adventures to explore are Lovers Leap, Milk River Mineral Spa, Gourie Caves and much more!

Hedonism II Bonfire

Party at Margaritaville

Days 7, 8 & 9 - Having charted a course for Kingston, we'll drop anchor at Morgan's Harbour Hotel, 14th century stomping ground of some of the "New World's" most infamous and often notorious pirates. What do you want to do? It's your vacation, your call. Your options are relax, sunbath and navigate your way through the numerous cocktails your willing bartender will concoct for you, or take a tour of Port Royal; follow your guide and view the evidence of Jamaica's swash-buckling era, or take a boat trip to Lime Cay, Kingston's offshore paradise – a private haven, or discover Kingston; leave for Bob Marley Museum and pay tribute to the relics of the musical phenomenon he created.

Jamaican Safari

Visit the Devon House, Victorian glory, or Hike to Blue Mountains...you have endless options.

Good Company...Great Food!

Days 10 & 11– Portland's a calling and we'll answer getting there in time for lunch. Your options are a trip to the famous Rio Grande where you'll experience the calming effects of rafting down the river, or visit the Blue Lagoon, an azure abyss of intrigue, or trek to Boston Jerk Centre to taste Jamaica's spicy contribution to the culinary world - having seconds is legal! Trident Hotel provides the pillows on these perfect Jamaican nights.

Swimming with the Dolphins

Dunns River Falls

Days 12, 13 & 14 – Next stop, Ocho Rios. Visit Dunn's River Falls where climbing the waterfalls is a once in a lifetime experience. Other things to do include visiting Dolphin Cove to swim with the dolphins, or visiting Fern Gully and find yourself in an Amazon-like rain forest, or go horseback riding in the Caribbean Sea, or just go shopping - Ocho Rios offers craft shopping, intricate but affordable pieces that will serve as sentimental reminders of your time in heaven.
