DaVinci Rock Steady, (8 days and 6 days)...

Underwater Exploration

Day 1 - Jamaica's tourist Mecca, Montego Bay. Drop your bags at Gloustershire Hotel and be off, visit Margaritaville for a cocktail and the sounds of pulsating reggae music, or Doctor's Cave Beach, or sail away this evening on Sunset Cruise, ...though tempting to expend all too soon, reserve some energy for the next day's move to Portland.

Dolphin Cove

Days 2, 3 & 4 – The paradise that is Portland, back to

Trident

nature, an adventurer’s dream – lush green, beautiful Portland in the shadow of the Blue Mountains. Raft down the Rio Grande, or swim the “bottomless” Blue Lagoon, or taste indigenous Jerk foods at Boston. Explore the Blue Mountains or Gardens at Athenry or Frenchman’s Cove, or Reich Falls, or Nunsuch Cave and much more! Trident Hotel, with Jamaica’s only Castle, offers us its unequalled accommodations and provides the stage for three perfect Jamaican nights.

The Dread and the Tourists

Dance Instruction

Days 5 & 6 – From nature rich Portland to tourist metropolis - Ocho Rios: Visit Dunn’s River Falls or Fern Gully, a world of exquisite flora, go shopping and secure your evidence of having been in heaven, interesting art and craft items. Swim with the dolphins, go snorkelling or scuba diving, do the unique canopy tree tour, and much more. We’ll rest, if necessary, at Sand Castles resort. The perfect Jamaican nights sometimes get “hot and wild” in Ocho Rios.

Jamaican Safari

Days 7 & 8 - DaVinci Rock Steady takes you back to Montego Bay for a day at the beach and some sun maybe, or Golf, or the Rose Hall Great House. With some exquisite Jamaican cuisine, we’ll see you off in fine style.
