DaVinci Ska,
 (8 days and 6 days)...

YS Falls

Day 1- Montego Bay and Gloustershire Hotel welcome you. Montego Bay - Jamaica's tourist Mecca casts its Utopian spell. Roam the town, swim, surf, sail...drink in the sights, this intoxication is legal.

Cliff Diving

Inside or out at Jakes

Days 2, 3 & 4 - St. Elizabeth, a bountiful parish, is our next destination. Enjoy native safaris, natural waterfalls and the Gourie Caves. Tour the local rum estate and watch sugar cane become our signature liqueur... Spend some time away from the shore, the Pelican Bar is like nothing you've experienced, another island in the sea. In the Ska mix there's Treasure Beach, a different Jamaica, painted on an unusual landscape, disarming and uncomplicated, quaint and charming. While in the arms of DaVinci Ska, our perfect Jamaican nights are as fantasy at Jakes Village, Treasure Beach.

Hedonism II Bonfire

Party at Margaritaville

Days 5 & 6 - Aaah Negril...equilibrium is epitomized here – seven miles of powdery white sand beach balanced by the West-end's majestic and exciting cliffs launched from the deep blue Caribbean Sea. Wind-surf, para-sail, scuba-dive, explore the underworld reefs...Or relax in a hammock on the beach at Rondel Village...Under the Negril skies be enchanted as we spend two perfect Jamaican nights.

Pelican Bar

Days 7 & 8 – DaVinci Ska is back in Montego Bay to do some last-minute romping...party 'til a minute before departure...It's o.k., blame it all on DaVinci.
